

Journals are used to keep track of financial transactions. i.e., a record of all business transactions. Transactions are typically recorded in a journal before being recorded in a ledger account. With Gridlex Sky, users can develop detailed journal reports that can be used to make decisions about financial planning. They can keep a track of their debits and credits, income and expenses, money transfer, and many more.

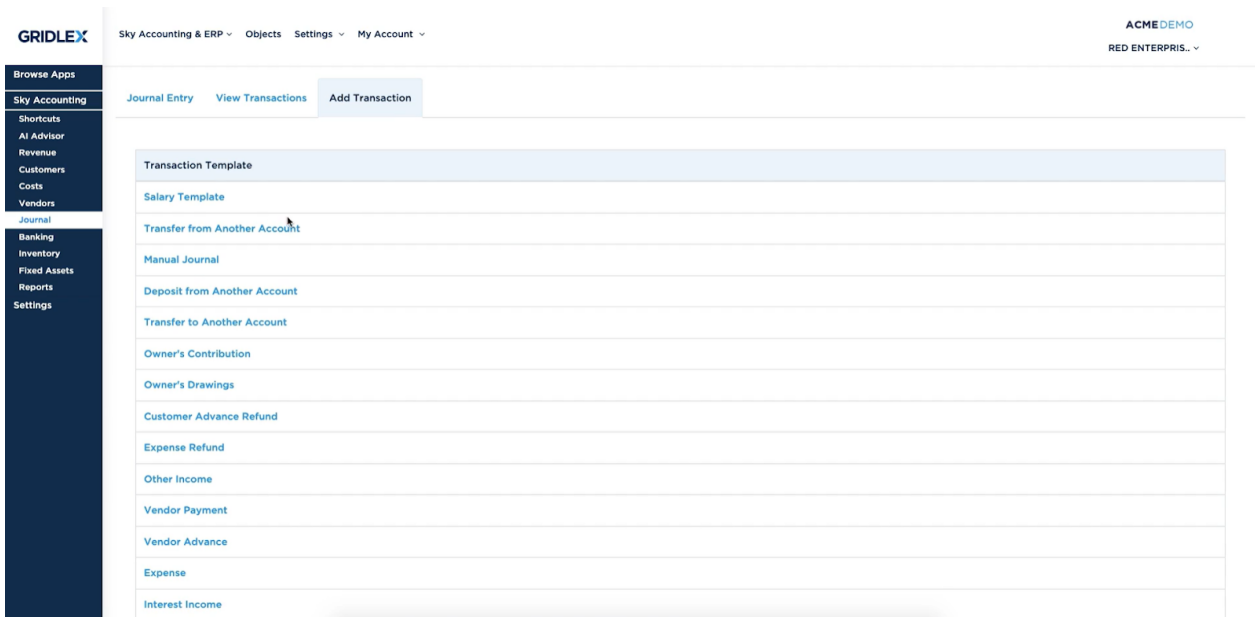

If you need any help with any feature, data migration of your old accounting data, questions on Chart of Accounts (COA) or anything at all, just email aps@gridlex.com, and our team of expert accountants will be here to help you. Remember, that one of Gridlex’s core values is Customer Success. We want you to be successful.

Creation of Journal in Gridlex Sky

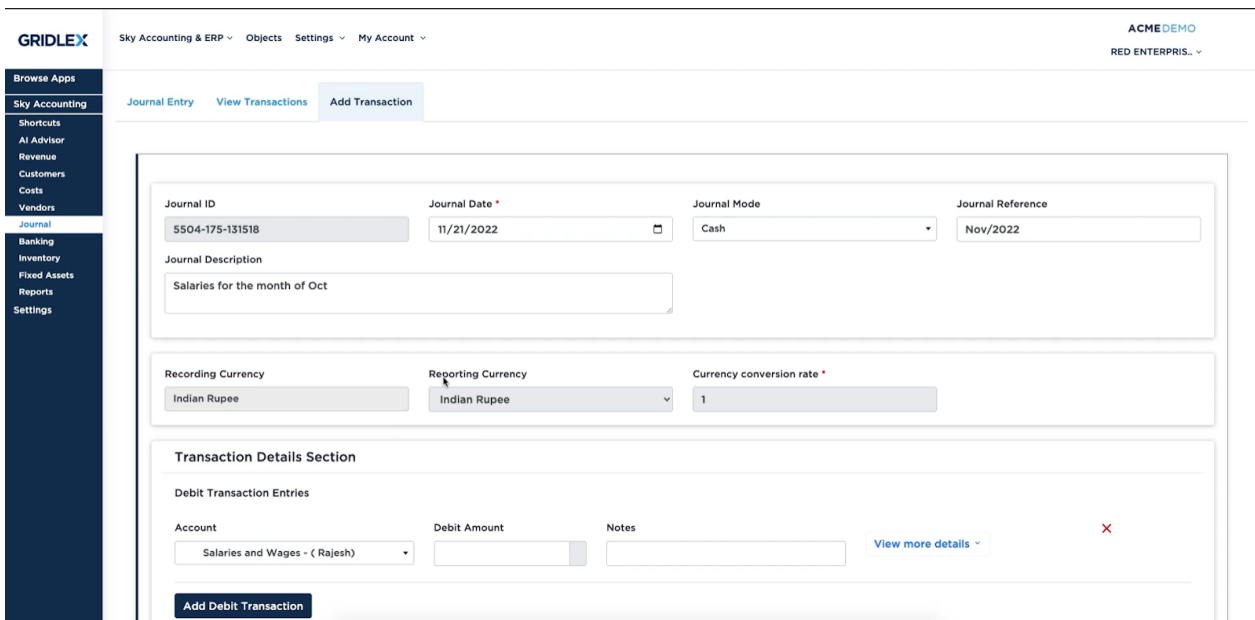

Step 1: Login into your Gridlex App Suite Account and choose the entity of your choice. Go to the “Journal” section and click on “Add Transaction”.

Transaction ID	Transaction Date	Recorded Currency	Amount in Recording Currency	Status	Reference Number	Comments	Entered By
126148	2022-11-18	Indian Rupee	50000	Approved		Bill ID - 3000123, Payment ID - 100581	redenterprises641@gmail.com
126147	2022-11-18	Indian Rupee	59000	Approved		Bill ID - 3000123	redenterprises641@gmail.com
126146	2022-11-18	Indian Rupee	23600	Approved		Invoice ID - 3000139, Payment ID - 103879	redenterprises641@gmail.com
126145	2022-11-18	Indian Rupee	23600	Approved		Invoice ID - 3000139	redenterprises641@gmail.com
126142	2022-11-18	Indian Rupee	25000	Approved		Bill ID - 3000122, Payment ID - 100580	redenterprises641@gmail.com
126141	2022-11-18	Indian Rupee	295000	Approved		Bill ID - 3000122	redenterprises641@gmail.com
126138	2022-01-03	Indian Rupee	500000	Approved		Balance	redenterprises641@gmail.com

Step 2: Here, you can add a transaction by selecting one of the Transaction Templates available. For example, you can select a salary template, manual journal, vendor payment, etc.

Step 3: Give the Journal Date, Journal Mode, Journal Reference, and Journal Description (if any). If the transaction currency is other than Entity's Reporting, give the conversion rate applicable as of the date.

Step 4: After that, fill in all the necessary transaction details. Select the "Debit Account" and enter the transaction amount and also enter the notes (if any). Next, Select the Credit Account and enter the transaction amount and enter the notes (if any). Once done, click on the "Save" button.

Note: If the transaction had multiple Debit/Credit accounts, you could add them by clicking on the “Add Debit/Credit Transaction” and entering the amount (if any).

The screenshot displays the Gridlex Sky Accounting & ERP interface. The top navigation bar includes the Gridlex logo, user information (Sky Accounting & ERP, Objects, Settings, My Account), and a demo label (ACME DEMO, RED ENTERPRISE). A left sidebar lists various modules like Sky Accounting, Journal, Banking, Inventory, Fixed Assets, Reports, and Settings. The main content area is titled "Transaction Details Section" and contains two sections: "Debit Transaction Entries" and "Credit Transaction Entries".

Debit Transaction Entries:

Account	Debit Amount	Currency	Notes	Action
Salaries and Wages - DE	40000	INR		View more details ✕

Credit Transaction Entries:

Account	Credit Amount	Currency	Notes	Action
Axis Bank	40000	INR		View more details ✕

Summary:

Total Debit	Total Credit
40000 INR	40000 INR

A "Save" button is located at the bottom center of the form.

How to View Transactions in Gridlex Sky?

Step 1: To view a complete list of transactions, go to the “Journal” section and click on the “View Transactions” from the top menu. Here, users can utilize the filters to avail the transaction details more effortlessly.
