

Welcome to the user manual guide for managing attendance policies and shift timings using the Ray HRMS system.

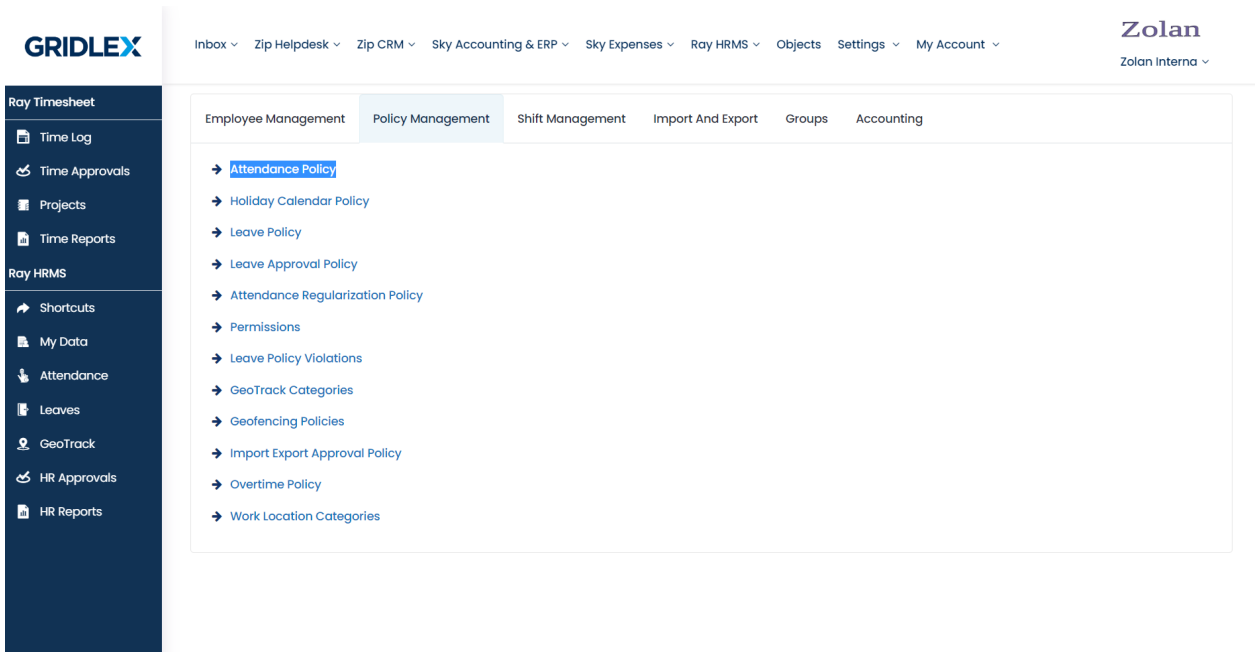

Step 1: Log in to Gridlex Ray and click on the “HRMS” tab located under the Ray section in the menu bar.

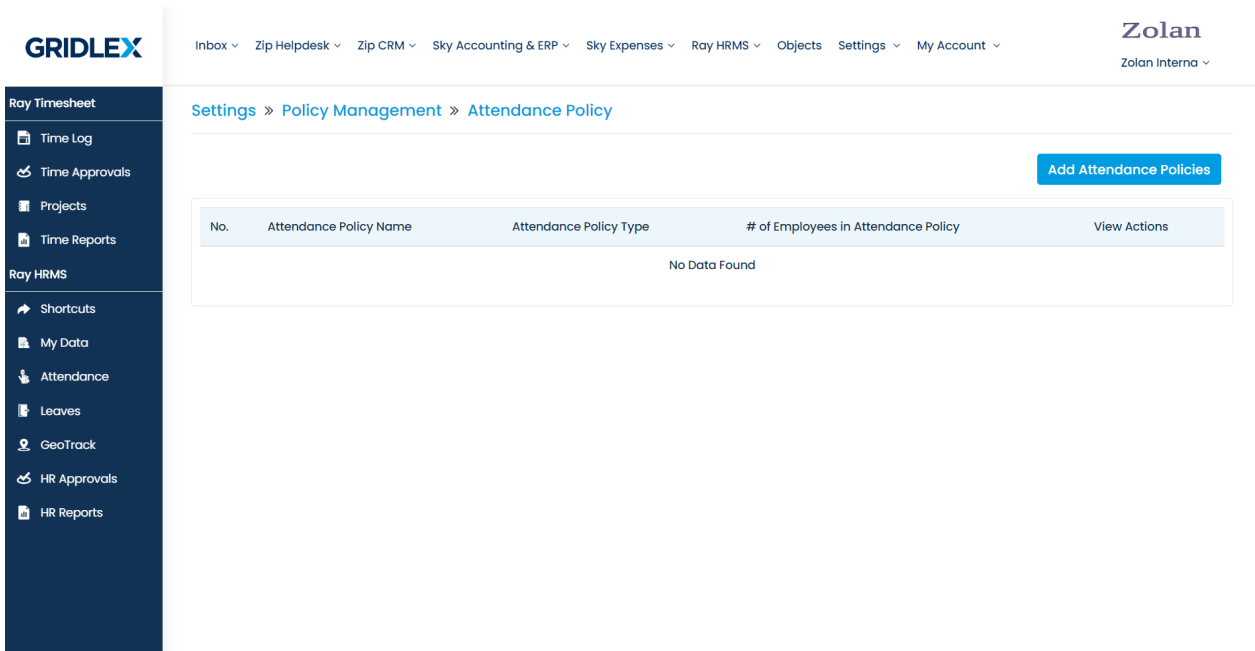

Step 2: Hover over the Settings option in the top menu bar, and select Ray HRMS Settings from the drop-down menu.

Step 3: Select "Policy Management" and then click on "Attendance Policy" from the submenu.

Step 4: On the Attendance Policy page, click on the "Add Attendance Policies" button.

Step 5: Fill in all the required details in the form that appears, such as policy name, policy type, attendance marking, etc. Once you have filled in all

the necessary details, click on the "Submit" button to add the attendance policy.

The screenshot shows the 'Create New Attendance Policy' form in the Gridlex HRMS system. The breadcrumb trail is 'Settings > Policy Management > Attendance Policy > Create New Attendance Policy'. The form includes the following fields and options:

- Attendance Policy Name:** Text input field with placeholder 'Enter Policy Name'.
- Attendance Policy Type:** Dropdown menu with 'One of them Approve' selected.
- Attendance Source:** Dropdown menu with 'Web' selected.
- Attendance Type:** Dropdown menu with 'Day Rule' selected.
- Attendance Cycle:** Section containing:
 - From Date:** Dropdown menu with '1st' selected.
 - From Month:** Dropdown menu with 'Current Month' selected.
 - To Date:** Dropdown menu with '1st' selected.
 - To Month:** Dropdown menu with 'Current Month' selected.
- Options:** Three checkboxes:
 - Create same on Leave Approval Policy
 - Create same on Attendance Regularization Policy
 - Integrated GeoTrack Login
- Submit:** A blue button at the bottom center.

Step 6: Next, head back to the Ray HRMS Setting page, and click on "Shift Management". Select "Manage Shift".

The screenshot shows the 'Shift Management' menu in the Gridlex HRMS system. The breadcrumb trail is 'Settings > Policy Management > Shift Management'. The menu items are:

- Employee Management
- Policy Management
- Shift Management** (highlighted)
- Import And Export
- Groups
- Accounting

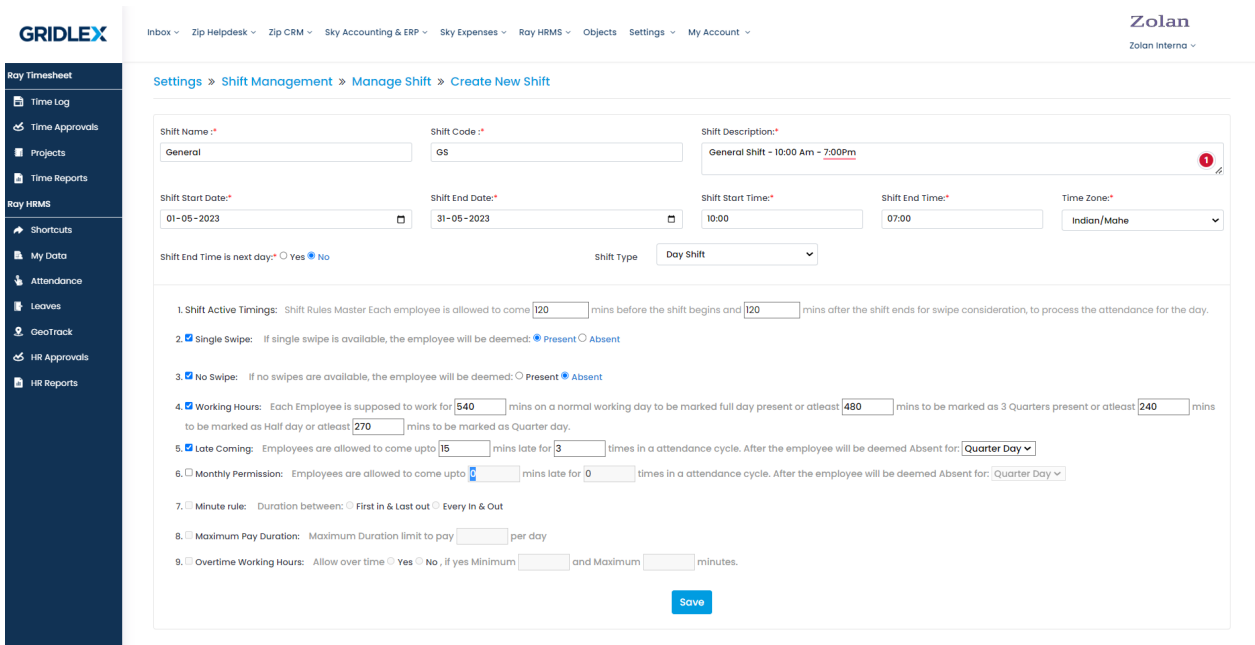

Under the 'Shift Management' menu, the following options are listed:

- **Manage Shift** (highlighted)
- Manage Roster
- Calculate Attendance

Step 7: Click on "Add Shift Master".

Step 8: In the form that appears, enter the shift name, start time, end time, and other relevant details based on your organization's needs and policies. Once you have entered all the details, click on the "Save" button to add the shift rule to the list.

You can add multiple rules by following the same process. Make sure to create the shift timings based on your organization's requirements.

The screenshot displays the 'Manage Shift' configuration page in the Ray HRMS system. The breadcrumb trail is 'Settings > Shift Management > Manage Shift'. A blue button labeled 'Add Shift Master' is located in the top right corner. Below it is a table listing the configured shift masters.
