

Welcome to our comprehensive guide on how to update contracts in Gridlex Zip.

Contracts are an imperative part of many business dealings, and keeping them current and accurate is essential. Whether you're extending dates or making minor modifications, Gridlex Zip is designed to make this process seamless.

This guide will walk you through the simple steps to update or edit a contract.

Step 1: Log in to the Gridlex App Suite and click 'Contracts' under the Zip section.

Step 2: Select the contract's name you wish to update or edit.
