

Welcome to our comprehensive guide on editing an Event in Gridlex Zip.

Whether you're organizing meetings, webinars, or other gatherings, Gridlex Zip is designed to make your event management smoother and more systematic. By the end of this tutorial, you'll be well-equipped to edit, manage, and record event data seamlessly.

This tutorial will walk you through editing an event in Gridlex Zip.

Step 1: Log in to the Gridlex App Suite and click 'Events' under the Zip section.

Step 2: Click on the Event which you want to edit.
